Cool Vehicles Wanted!

We would like to invite your company to display a vehicle at this year's United Way Touch-a-Truck Event on Saturday, May 2nd, 2015. There is no fee to participate.

Touch-a-Truck is a community-wide event where kids and the young-at-heart have the opportunity to see, touch, interact with and learn about dozens of cool vehicles. From fire trucks to tractor trailers, police cars, garbage trucks, race cars and cranes...vehicles of all shapes and sizes are welcome — the more unique the better!

Now in its fifth year, Touch-a-Truck drew 1,800 visitors last year. It is a wonderful opportunity for your company to showcase its vehicles and provide a learning opportunity for children at the same time.

We hope you will join us Saturday, May 2nd at Central Maine Community College for this year's United Way Touch-a-Truck Event—it is sure to be a hit!

Sincerely,

Larry Marcoux
Director of Community Impact

Working in collaboration with Clover Preschool, Advocates for Children and Central Maine Community College, we are proud to once again host this wonderful family event. We hope you will join us!
