SERVING ANDROSCOGGIN & OXFORD COUNTIES
As a proud member of our community, I know that our friends and neighbors are always giving back when they can. Through your continued financial support, United Way’s collective impact extends even further, helping to build our community up for the future. United Way believes that change starts with all of us working together. In our cities and towns, in our neighborhoods and workplaces, at school and in our homes. Change starts with us.
